PARK HITS THE ROAD AGAIN TO TAKE ON GRACELAND TUESDAY

PARKVILLE, Mo. - The Park University men's volleyball team will hit the road again this Tuesday, as they travel to Lamoni, Iowa to take on Graceland University at 7:00 p.m.

All of the Pirates previous six matches have been played on the road or on neutral sites.

Park will finally play at home this Saturday, Feb. 13 at 4:00 p.m. against defending NAIA National Champion Lindenwood University inside the Breckon Sports Center.

The Pirates are currently 4-2 on the season and are ranked No. 2 in the country, after defeating three of the top five teams in the nation in the month of February.

Park defeated the defending national champs, Lindenwood and took down Hope International and Cardinal Stritch.

Graceland comes into Tuesday's match, 3-5 overall and 0-1 in MAMVIC West play.

They have picked up wins along the way against St. Xavier, Warner Southern and Holy Names University.

The Pirates went 2-1 against the Yellowjackets in 2009, defeating them both at home and on the road in the regular season, but the two teams matched up in the semifinal round of the MAMVIC West Conference Tournament at Bartle Hall in Kansas City, Mo.

In one of the finest matches of the season, Graceland defeated Park, in five games, 30-24, 30-26, 30-32, 30-27, 21-19. They qualified for the MAMVIC West tournament championship game eventually losing in four games.

As mentioned earlier, Park will have its home opener this Saturday, Feb. 13 at 4:00 p.m. against Lindenwood University. The Pirates defeated the Lions in five games on the road back on, Jan. 20.

Park's leader in kills this season is Fray Luis Fajardo Arteaga with 80, but two other outside hitters are not far behind the team lead, as freshman Zach Penolio trails Arteaga by just two kills with 78 and Erick Albuquerque is just behind Arteaga with his 76.

Arteaga averages 3.64 kills and is hitting an incredible .370 on the year. The Pirates are also looking for their first sweep on the year. Park has won in five games twice and four games twice.

HORN WINS NATIONAL SETTER OF THE WEEK AWARD

Park's Freshman setter Felix Horn was named this week's NAIA Setter of the Week for his stellar play against Missouri Valley last week. The freshman out of Biberg, Germany averaged 12.75 assists and two digs per game a week ago.

Horn now has 303 assists on the year and is third on the squad in digs with 40. Horn is averaging 12.12 assists this season and has played in 25 of Park's 26 games this season.

He also has 12 kills and five service aces in 2010 and is third on the team in total blocks with 16.

Rick Mischka became the fifth head coach in the history of the Park men's volleyball program and the sixth head coach in Pirate women's volleyball history on May 13, 2009, and enters his first season as head men's and women's volleyball coach at Park University in the 2009-10 season.

"Rick is an outstanding recruiter and has the energy and enthusiasm that it will take to run two successful programs on the high level we expect at Park University," said Director of Athletics Claude English. "He possesses all the tools to get the job done on this campus, and it starts with his ability to bring in the kind of quality student-athletes who can make a difference both on and off the court for our volleyball programs."

Mischka comes to Park from Kansas Wesleyan University, where in 2008, he coached the Coyotes to a semifinal appearance in the Kansas Collegiate Athletic Conference tournament and five wins in the team's last nine matches.

He also coached one first-team All-KCAC performer, as well as one Daktronics-NAIA Scholar Athlete in 2008.

In his first year as the women's coach at Park, Mischka led the Pirates to a 7-24 record and had two Daktronics-NAIA scholar-athletes in Bethany Buehler and Crystal Cole. Four Pirates were also named to the Academic All-AMC team and sophomore setter Gabriela Garcia was named to the Honorable Mention All-AMC team for her stellar play.

"Rick will run disciplined programs, but at the same time, our student-athletes will get the most out of their experience at Park University because of his energy and character, which are both outstanding," English said. "We are very excited to have someone of his caliber on our staff."

Before Kansas Wesleyan, Mischka was an assistant coach at NCAA Division-III Saint Mary's University in Winona, Minn., where he was responsible for all aspects of the program, and was a major part of the recruiting process. In his two-plus seasons at SMU, the Cardinals rebounded from a 10-19 record in 2006 to a 17-12 overall mark in 2007.

Mischka has also been strongly involved in the USA Volleyball Junior Olympic program for the last five years, spending the past two with the Southern Minnesota Volleyball program. During those two years, he has served as head coach of the 17-elite team that finished the 2007 season 35-22 and was 34th out of 64 teams at the AAU Nationals in Orlando, Fla.

"This is my dream job," Mischka said. "I have wanted to be a dual head coach since graduating from college, and Park is an elite program within the NAIA. Park has the resources to be a nationally recognized program on both sides – men and women – so this is a very exciting move for my career."

Before Saint Mary's, Mischka was an assistant coach at Graceland University, where he worked with both the men's and women's programs for two seasons.

Mischka played three years at the University of Wisconsin-Stevens Point where he was co-captain, player-coach and team treasurer for the Pointers' NIRSA collegiate club team. While at UWSP, he received NIRSA Club National Championships All-National Team honors as a setter.

Mischka then transferred to Graceland where he played for two seasons as setter and right side hitter for the Yellow Jackets before graduating in 2006 with a double-major in Philosophy and Religion. He is currently pursuing his Master of Arts in Human Development at Saint Mary's.

He is also a certified firefighter, and holds a valid Emergency Medical Technician license, obtained through the Wisconsin Technical College system.
